The Challenge

Businesses are increasingly challenged to keep up with the constant evolution of labor and employment regulation.

Global workforces and multi-jurisdictional regulations require legal teams to have the right talent in the right position to maximize the effectiveness of their companies' workforce.

“ *My purpose here is to help the Chief Employment Counsel focus on the larger, more strategic concerns that he can't get to when he's bogged down with these day-to-day issues.* ”

Corporate legal teams face increasing pressure:

NEW WORKSTREAMS	INCREASINGLY COMPLEX REGULATIONS	MULTIPLE BUSINESS OBJECTIVES
The response to the Covid-19 pandemic has created new challenges, like return-to-work policies, health privacy issues, and potential new liabilities	180+ US federal labor and employment regulations, in addition to various state and local requirements	Legal teams must support key initiatives, including policy development, compensation and benefits regulation, and complaint investigations

Legal departments must:

- Access world-class labor and employment talent
- Build a dynamic labor and employment legal team
- Work with a partner who understands labor and employment law
